Church Outside the Walls-Sunday, March 30

On March 30th, we will have the opportunity to package 15,000 meals for a school feeding program in Haiti. This version of Church Outside the Walls is focused on providing the congregation with an easy, fun, and family friendly way of being involved in direct mission and service. On the 30th, there will be one worship service at 9:00, then we will move directly from worship into our project of packaging the meals, a mixture of rice, soy protein, dehydrated vegetables, with essential vitamins and minerals. These meals are a great way to provide complete nutrition to children in need, at a very affordable price - just 20¢ per meal!

North Broadway's Identity

As Christians, we: Celebrate the God-given diversity of the human family, welcoming all people of every race, age, nationality, gender identity, sexual orientation, economic status, mental and physical ability.

Proclaim God's love and grace for all persons in worship, study and action, inviting persons to experience God's mercy.

Share in the reconciling ministry of Jesus Christ, working to remove the barriers that divide the human family from God and from others, including those related to economic and social injustices.

Rely on the witness of scripture, tradition, reason and experience, seeking to discern God's continuously unfolding will for the human community and our global environment.

ABOUT WORSHIP

The service follows a printed order of worship, provided by the ushers. The community is invited to speak together the words that are printed in **bold**. The community is invited to stand (if able) where an asterisk * appears.

The offering is a regular part of each worship service, as the community shares resources to continue and enlarge our shared ministry. If you are a visitor, we especially invite you to introduce yourself to one of the pastors. May you sense God's presence as we worship together.
